

# Virtual Mobility Grants

CA18134 G-BiKE

## *The Second Call for Virtual Mobility (VM) Grants*

Applications for VMs taking place between **22nd November 2022 – 19th December 2022**

**CALL DEADLINE:** November 28, 2022, 17:00 CEST

**ANNOUNCEMENT DATE:** upon receipt of the applications or November 29, 2022 at the latest

### BACKGROUND

Despite on-going efforts, biodiversity is deteriorating worldwide and this decline is projected to worsen with business-as-usual scenarios. At COP15 meeting, December 7-19, 2022 in Montreal, Canada, governments from around the world will come together to agree on a new set of goals to guide global action through 2030 to halt and reverse nature loss. Adoption of a bold global biodiversity framework that addresses the key drivers of nature loss is needed to secure human health and well-being alongside that of the planet. **G-BiKE has been approved by the CBD Secretariat to send a delegation and organize an exhibit booth.** Additionally, G-BiKE, in collaboration with GEO BON, CBD Secretariat and stakeholders from around the world, will co-host the side event titled "Genetic Diversity Goal, Target, and Indicators - including update on ongoing application of genetic diversity indicators". The side event be held in person in Montreal on December 10 (details [here](#)).

### THE PURPOSE OF THE VIRTUAL MOBILITY (VM) GRANT

The VM Grants should aim at strengthening the existing networks by allowing scientists and practitioners to foster collaboration in a virtual setting and to directly contribute to the goals and needs of G-BiKE's delegation at COP15.

### EXAMPLES OF ELIGIBLE ACTIVITIES FOR VMGs

Some of the examples of VM activities (but not restricted to):

- Application and evaluation of the genetic indicators from [Hoban et al. \(2020\)](#) based on proxy or genetic data,
- Production of the dissemination materials to be used by the G-BiKE COP15 delegation,

- Implementation of a media campaign to complement and support G-BiKE activities in relation to COP15.

Additional examples are given in the [ANNOTATED RULES FOR COST ACTIONS](#) A2-1.1.2.

### Non-eligible activities

All activities that are covered by other networking tools, licenses of programmes or online tools, conference fees, translations, purchase of any software and technical equipment.

## ELIGIBLE PARTICIPANTS

The following eligibility criteria apply:

- Applicant(s) are **Action participants** with a primary affiliation to an institution located in a [COST Full or Cooperating Member country](#) or **MC Observers** from a [COST Near Neighbour Country](#).
- The successful applicant(s) shall:
  - inform the MC and the Core Group about the aim of the VM Grant and how its outcomes will generate benefits to the Action,
  - actively contribute to the activities and overall objectives of the Action,
  - submit a report at the end, to be approved by the Grant Awarding Manager on behalf of the MC.

## FUNDING

The maximum amount for one VM grant is **1500 Euros**. However, please note that requested amount can be decreased or increased as Core Group will define the exact amount of each grant reflecting the scope and complexity of the task and activities.

**No in advance payments are foreseen.** Approved VM Grant will be paid to the grantee after the Core Group has approved the grantee's report and no later than 15 days from the end of Grant Period.

VM grantee has **30 calendar days\*** from the completion of the VM Grant to submit a report to the Action Chair/ the Grant Awarding Manager and to the Science Officer of the Action including:

- Description of the outcomes and achieved outputs (including any specific [MoU](#) deliverables, or publications resulting from the Virtual Mobility).
- Description of the benefits to the COST Action Strategy (what and how).
- Description of the virtual collaboration (including constructive reflection on activities undertaken, identified successful practices and lessons learned). The template of the report is provided in the e-COST and in [the User Guide of Virtual networking Tools \(VNT\)](#) (page 4).

\* Due to administrative tasks related to the approval of the report, it is strongly recommended that reports of the VM grants are completed as soon as possible after the completion of VM grant.

## APPLICATION PROCEDURE

VM Grant applications must be submitted using [the e-COST system](#). The applicants should use [the VM Grant application template](#) that are provided in the e-COST and in [the User Guide of Virtual networking Tools \(VNT\)](#) (page 3). VM Grant applications submitted in any other way (email, post etc.) will not be evaluated. Detailed application procedure is described [in the User Guide of Virtual networking Tools \(VNT\)](#).

### Obligatory documents

VM Grant applicant must submit:

- VM Grant application template (template is provided in the e-COST and in the User Guide of Virtual Networking Tools (VNT) (page 3). The final document will be generated by e-COST system after filling in all requested information).

If needed, VM Grant Applicant can submit other supporting documents. Number of supporting documents is not limited, while the size of each file is limited to 2 MB. VM Grant applicant is allowed to submit various formats of the files, but applicant must ensure that Grant Awarding Manager will be able to download and check the document.

### Application content

Each VM Grant Application must include following information that are also provided in the application template:

- Main objective of the VM Grant.
- Working Plan: Description of the collaborative initiative to be implemented.
- Plan for Participation: List of participants in the collaborative initiative (short description of their expertise and contribution).
- Main expected outputs: results and contribution to the progress towards the [MoU](#) objectives (either research coordination and/or capacity building objectives can be tackled) and delivery of the MoU objectives.
- Contribution to [the COST Action Strategy](#): How will the Virtual Mobility contribute to the COST Excellence and Inclusiveness Policy and plans for stakeholder engagement and promoting participation of researchers from NNC and IPC (COST Global Networking) and to the approved virtual networking strategy, if available.

## EVALUATION PROCEDURE

The evaluation procedure will follow the decision of MCs and the Grant Awarding Manager will process each received VM Grant application.

### Evaluation criteria

Each VM Grant Application will be evaluated according to contribution to the:

- Overall objectives of the Action related to COP15.

- Implementation of the COST Excellence and Inclusiveness Policy.

### Notification about the call's results

Successful VM Grant Applicants will be informed by email automatically generated by e-COST. **Due to the urgency and short deadlines, the results of the evaluation are expected to be known upon receipt of the applications or November 29, 2022 at the latest.**

**If you have any questions related to the VM Grants and the application procedure, please contact G-BiKE's Grant Awarding Manager Belma Kalamujić Strojil (email: [belma.k@gmail.com](mailto:belma.k@gmail.com)).**

COST (European Cooperation in Science and Technology) is a funding agency for research and innovation networks. Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.
